

ISMAIL JIMOH

WEB DEVELOPER

PROFILE

I am a web developer passionate about building dynamic, user-friendly websites. Through hands-on experience and academic projects, I have developed a solid foundation in front-end development and problem-solving. I am eager to learn and grow, constantly seeking opportunities to expand my technical skills and understanding of best practices. Skilled in responsive design and committed to delivering high-quality solutions, I thrive in collaborative environments and enjoy working with cross-functional teams to bring ideas to life. I am excited to contribute my enthusiasm, attention to detail, and willingness to learn to a development team, while gaining valuable experience to further my career in web development.

EXPERIENCE

TECH EDUCATOR

IN-DEPTH COMPUTERS, LAGOS | 2023 - PRESENT

Specializes in teaching coding, ICT, and web development to kids, young adults, and aspiring developers.

- Led a web development BootCamp with over 50+ students, providing hands-on training in HTML, CSS, and JavaScript to equip learners with real-world skills.
- Developed and implemented structured curricula, ensuring students gain a strong foundation in web development, computer literacy, and digital skills.
- Passionate about empowering learners with practical knowledge, inspiring them to explore technology, and preparing them for future careers in tech.
- Experienced in block-based coding (e.g., Scratch) and text-based programming, tailoring lessons to different learning levels for maximum engagement.

COMPUTER OPERATOR & OFFICE APPLICATIONS TRAINER

EXPLOIT COMPUTERS CENTRE, KARU | 2021-2023

Specializes in typing and computer operations, with additional expertise in training individuals on essential software tools like MS Word, Corel Draw, Excel, and PowerPoint.

- Trained numerous students, equipping them with essential digital skills to enhance their productivity and professional capabilities.
- Developed the ability to troubleshoot and optimize computer systems for smooth operations, ensuring productivity and reliability.
- Strengthened technical skills through hands-on experience in document preparation, data entry, and graphic design, gaining practical knowledge and efficiency.
